

**Thermodynamics**  
**Homework Three**  
**Due Friday, April 15, 2016**

I think these problems should be more or less straightforward applications of the ideas and formulas we've been working with in class.

1. 2.3
2. 2.4
3. 2.5 (a) and (d) only
4. 2.7
5. 2.8
